8. Wide's and No Balls

Wide Ball - Judging a Wide

- No delivery will be called Wide if it comes into contact with the striker's bat or person or is called as a No ball (Laws 2003)

 For all other deliveries the following interpretation will apply:

- **Off side Wide's**

NYCL 2017 Championship

- Two white lines will be marked joining the bowling and popping creases. Each line will be parallel to the Return Crease and will be 35" (88.90cms) from the center of the middle stump.
- The umpire will call any delivery that passes over or outside of this line Wide. It does not matter that the striker may move thus bringing the ball into an area where he could play a normal cricket stroke – it will still be a Wide.
- It will also be a Wide if the batsman moves away from the ball and it passes over or outside of this white line.

⚡ Leg side Wides

- The line markings mentioned above **do not** apply to leg side deliveries.
- Any ball passing down the leg side i.e. missing the leg stump and not been hit or hitting the batsman is deemed a wide ball even if the batsman steps inside the line.

⚡ No Balls - Bouncers/Short Pitched Balls

- One 'bouncer' ball per over is allowed. A short pitched ball is defined as any ball that passes or would have passed over the **shoulder** of the batsman in his normal standing position. It is immaterial whether he hits it or not.
- If that short pitch ball is deemed a wide on grounds of height or direction or is a no ball anyway it counts as the one for the over.
- The Bowlers End Umpire will inform the bowler, the batsman and the fielding captain that the one per over has been bowled.
- Should there be a second 'bouncer' in the same over it will be called No Ball by the umpire.

⚡ Free hit on No Balls ONLY

- Free hit will be used for all no balls

⚡ Bowling of high full pitch balls

- Any delivery (**irrespective of its speed or direction**) which passes or would have passed on the full above the waist band of the batsman trousers height, standing upright at the crease is to be deemed dangerous and unfair, whether or not it is likely to inflict physical injury on the striker.
- The umpires will ensure that no such deliveries go unpunished.
- It is immaterial whether the batsman hits the ball or not.
- The bowlers end umpire in consultation with leg umpire will call any such delivery
- Waist height 'No Ball' will be followed by Free Hit

⚡ Ball Pitching on the edge or off the matting

- Balls pitching on the edge or off the artificial wicket shall be called 'No Ball'
- **Bowler breaking the Non-Striker's Wicket during Delivery**
 - Where a bowler breaks the non-striker's wicket during his delivery any umpire shall call 'No Ball' – free hit allowed.
 - Umpire will call it a No ball if the bowler breaks the wicket during his delivery stride.
